F 490	Continued From page 37 The Immedicacy was removed on 12/13/10, however the facility remains out of compliance at a severity level 2. The facility took the following actions to removed the Immediate Jeopardy. Immedicate Correction Actions: The Administrator, license #044-005188 expires 11/30/11 with services in the metal health field at Wincrest Nursing Center for the past hirteen years have already instituted policy and procedure to abate and to prevent recurrence of F323, F250,F407. An interim direcotr of Social Services have been already in position to assume tne respective duties, consulted by Social Worker Consultatioon Group, Inc. All precautory and preventative procedures are already in place to prohibit and prevent smoking in the facility and to prevent horading, concealed weapon, sharp object or contraband in the resident 's room or person. See attached plan of abatement and preventative measures to be taken which was discussed and approved in the QA meeting on 12/13/10 at 9:30 AM for above violations.	F 490

F9999	Continued From page 40 a) The facility shall develop and implement a psychiatric rehabilitation program. A facility may contract with an outside entity to provide all or part of the psychiatric rehabilitation program as long as individual residents' needs are met and subsection (c)(4) is met. The program shall be designed to allow a wide array of group and individual therapeutic activities, including, but not limited to, the following: 1) Skills training programs addressing a comprehensive range of skill areas, including the major domains of self-maintenance, social functioning, community living, occupational preparedness, symptom management, and substance abuse management. Skills training programs should: A) Include available published, validated modules with highly structured curricula for teaching targeted skills (e.g., trainer's manuals and videotapes that demonstrate the skills to be learned); B) Proceed within a training-to-mastery framework that addresses discrete sets of skill competencies, introduces targeted skills in a graded fashion, and regulates the difficulty of exercises to create a momentum of success; C) Include focused instructions and modeling, frequent repetition of new material, auditory and visual representation, role playing and practice, and immediate positive feedback for attention and participation; and D) Be adjusted in content, form and duration to match residents' profiles in terms of stress tolerance, learning impairments, and motivational characteristics. Environmental conditions shall be arranged to help compensate for deficits in resident concentration, attention, and memory (e.g., reduction of distracting stimuli and extensive use of supportive reminder cues), as	F9999

F9999	<p>Continued From page 43</p> <p>psychosocial programing on a routine basis.</p> <p>These failures had the potential to impact all 69 residents of the facility.</p> <p>Findings include:</p> <p>1) On 12/8/10 at 10:20 AM, surveyor entered Room 208 and noted a strong cigarette odor with some haziness in the room. R18 was sitting on 1 of 3 beds in the room. R18 was asked if anyone was smoking in the room. R18 responded "my roommate R10." Room 208 was very cluttered with clothes on the floor and bags stored in the closet. Surveyor informed E6 (Psychiatric Rehab Service Coordinator) of observation immediately. E6 and E8 (CNA) came to room to check out the cigarette odor. Surveyor asked E6 if the facility does rounds on residents in rooms for smoking, E6 responded "the CNA's on the unit are supposed to do hourly checks."</p> <p>Surveyor requested to review the hourly check form, E6 went to drawer and pulled out a form with room numbers and hours to be checked off hourly. The form had no check marks or documentation the 2nd floor residents were being monitored for smoking. Surveyor asked E8 if she had done hourly rounds since 8:00 AM, E8 said "yes but did not fill out yet."</p> <p>Surveyors made rounds on the 1st floor and 3rd floor on 12/8/10 at 10:50 to ensure there were no other residents smoking in undesignated areas. On the 1st floor, at 11:00 AM, surveyor requested to review the hourly check form. E7 (CNA) responded "I haven't filled it out yet." E7 presented an unchecked form for the 1st unit.</p>	F9999

F9999	<p>Continued From page 44</p> <p>Surveyor went to the 3rd floor and did a room check and 10:50 AM noted a lingering odor of cigarette smoke in Room 304 (R17's room, facility identified smoker). The room was extremely cold, window was open and the fan was on blowing in the room on high. R17 was in bed with covers overhead. Surveyor questioned R17 if he was smoking. R17 refused to answer or come out from under the cover. (E5) was interviewed regarding room check monitoring, and handed surveyor at 10:50am a room check that was already checked for 11:00 am. E5 stated, " I did not check that E9 (CNA) did that. E9 was asked why was the 11:00am room rounds form checked beforehand, and E9 responded, "Oh I made a mistake."</p> <p>At 11:15 AM on 12/8/10 surveyor requested a list of residents on smoking level 2 group from security guard (E10). E10 did not have a list at his desk but did retrieve a list from DON (E2). R10, R16, R17 were not identified on the Level 2 list.</p> <p>R10 was admitted to facility in February 2010 with diagnosis including Paranoid Schizophrenia. R10's September 2010 Minimum Data Set assessed R10 minimally cognitive impairment. R10 is independent in activities of daily living.</p> <p>R10's last smoking assessment dated 3/20/10 assessed R10 as a level 1 smoker "independently able to handle smoking materials." Nurses' notes dated 9/28/10 documents R10 does not follow the smoking policy and attempts to smoke in his room and bathroom, but staff continue to monitor R10 from smoking in his room.</p>	F9999

F9999	<p>Continued From page 45</p> <p>R10's care plan dated 9/6/10 denotes R10 is currently on level 1 smoking. He is reported to smoke in washroom with a peer. Cigarette butt is found in the toilet. The care plan had not been updated after the smoking incident of 9/26/10.</p> <p>On 12/9/10 at 2:30 PM, surveyor observed R10 standing in the 1st floor hallway outside E1's office. R10 approached surveyor "are you the one that said I was smoking in my room? You weren't in my room when I was there. I left out at ten in the morning." Surveyor asked R10 if he ever smoked in his room. R10 responded no. When surveyor informed R10 his non-compliant smoking history was in medical chart, R10 walked away from surveyor.</p> <p>Social service notes denote R10 consistent inappropriate behavior: 4/20/10-R10 goes out to the community and panhandles, also sells cigarettes and pop to peers.</p> <p>R10 was not placed in any program for smoking or panhandling.</p> <p>2) R17's diagnosis includes Paranoid Schizophrenia; Acute Psychosis; Schizo-Affective.</p> <p>R17 was observed on 12/ 8/10 at 10:50am in bed with covers over head. R17 refused the request to remove covers from over head or to respond to questions regarding the smell of smoke in room. R17 on 12/8/10 at 4:00pm struck surveyor on right arm shouting, "I want to talk to you," and scurried to a corner and began babbling to self."</p> <p>During interview with E6 (PRSC) on 12/08/10 the</p>	F9999

When interviewed on 12/08/10 at 1:45 PM, R6 stated that he found the knife outside a month ago.</p> <p>R6 was asked what programs he goes to. R6 stated that he attends substance abuse in the facility on Mondays from 8:30 AM to 9:00 AM. Every Wednesday and Friday from 9:30 AM to 10:30 AM he goes to VA (Veteran Administration) and work there by escorting the hospital patients. R6 added that he attends bingo and card games. Facility does not have a structure program for R6's aggressive behavior and medication refusal.</p> <p>When interviewed on 12/08/10 at 1:25 PM, E6 stated that nearby college students give the residents knives, gloves, socks and shoes when the residents walk in the street. Review of R6's contract found it was dated 01/29/08. E6 added there's no current/updated contract for R6.</p> <p>Review of clinical record reflects that R6 is very aggressive with co-peers, intimidating them. R6 goes out to the community and comes back intoxicated as charted on 9/15/10, "when intoxicated, can become very abusive and threatening to staff and peers." Psychosocial notes indicate R6 continues to have substance abuse issues, battery and harmful behavior. Per interview, was also asked if he had any feeling about killing himself or hurting himself. R6 stated "sometimes I feel that way."</p> <p>Nurses notes dated 08/31/10, 09/29/10, 10/20/10 document that R6 has been refusing his medication.</p> <p>Care Plan Approaches/Interventions reflect: - Encourage for medication compliance. F9999	<p>Continued From page 54</p> <p>Thursdays from 8:00 AM to 2:00 PM. Mondays, Wednesdays and Fridays she goes to home to visit her son. R12 was asked what she does if not visiting son. R12 stated go downstairs watch movies and crafts. R12 was asked if she was planning to attend any activity and what she was going to do that day. R12 responded she was not planning to attend any activity and that she is waiting for a friend to walk in the park.</p> <p>Records show that on 8/28/10, R12 had an altercation with another peer and attempted to choke another resident. Review of care plan regarding problem showed the facility had no planned intervention on how to monitor resident and how to safeguard other residents from her aggressive behaviors. R12 is documented with behaviors such as going out in the street panhandling, selling and abusing drugs. There are no programmed interventions planned on how to prevent these problems.</p> <p>7) Record review showed that R7 has diagnoses that include Schizophrenia, Psychosis and Mild Retardation.</p> <p>When interviewed on 12/07/10 at 11:00 AM R7 stated that he attends program on Mondays and Wednesdays from 8:30 AM to 1:30 PM then other days watch television and play cards. R7 was asked if he plans on attending any activity that day. R7 responded that he has no plans to attend any activity today.</p> <p>R7's record reflects uncooperative behaviors, aggressive behavior with history of violence as documented on 9/28/10, and noncompliant with program. R7 was transferred to hospital and placed on assault precaution. R7 had an</p>	F9999

F9999	<p>Continued From page 55</p> <p>altercation with roommate leading to hospitalization.</p> <p>Review of psychosocial notes reflect charting only up to 7/20/10 and no documented psychosocial intervention for all the behavior problems such as R7's aggressions, non compliance and uncooperative behaviors. There are no planned programs for the behaviors being exhibited and there are no preventive measures planned to prevent harm to others.</p> <p>8) R1's diagnois incudes Bipolar Schizophrenia and Substance Abuse. R1 is scheduled to attend an outside group (psychological counseling) for substance abuse and money management 2 times a week and attend inhouse womens group 1 x a week.</p> <p>Review of R1's care plan denotes R1's behavior for not abiding by curfew, going out late at night picking up men in inappropriate clothing, and tries to speak to strangers in car and was reported to solicit for sex in community. She needs set limits. Care plan further denotes R1 has history of substance drug abuse/cocaine abuse. R1 was last hospitalized for soliciting sex for money and for drug use. R1's lab was positive for cocaine use on 4/13/10.</p> <p>Documentation in psychosocial note dated 9/20/10 denoted R1 is difficult to get up in the morning due to excessive late night keeping. Will not attend her substance abuse program and day program despite reminders to wake up, however when awake will go out in community on and off. Knows when trust fund time to get money and will spend it immediately on her choice.</p>	F9999
