Jonathan Dopkeen, Ph.D., IDPH Assistant Director started the meeting at approximately 10:05 a.m. by introducing Jan Root, Ph.D., Assistant Executive Director, Utah Health Information Network (UHIN) and Scott D. Williams, M.D. M.P.H., Vice-President, HealthInsight.

Dr. Williams started the presentation talking about how electronic health information exchange began in Utah.

Dr. Root's portion of the presentation related to a discussion of the UHIN and its governance structure.

A copy of the slide presentation can be found on the EHR Taskforce Web site using the following link:
