To be used in conjunction with an Authorization to disclose “sensitive” health information. Presumes legal authority to otherwise disclose PHI for treatment, payment or health care operation purposes.

[PROVIDER] also participates in a health information exchange (Exchange). The Exchange facilitates the electronic exchange of medical and other protected health information among health care providers that participate in the Exchange for patient treatment, payment and health care operation purposes. If applicable, add: “The Exchange does not house or store any data; rather, it merely facilitates exchange of data among participating health care providers.”

To the extent permitted by law, [PROVIDER] may disclose your protected health information to other health care providers who request that information, via the Exchange. In those cases where your specific consent or authorization is required to disclose health information to others, [PROVIDER] will not disclose that health information to other health care providers participating in the Exchange without first obtaining your written consent.
