

## National Technical Assistance Providers

The Centers for Disease Control and Prevention offers a variety of national Technical Assistance providers to Community Transformation Grant recipients. The Illinois Department of Public Health wants to make sure the We Choose Health grantees are aware of this resource. Technical Assistance providers have a variety of offerings and areas of expertise. If you see a Technical Assistance provider in the list below that may be of help to you and your project, please contact the We Choose Health Grantee Coordinator, Sarah Kerch, so she can assist in your request.
